Re: Minh Quang Viet Nguyen's Recommendation Letter

Dear Sir/Madam,

I am writing this letter to recommend Minh Quang Viet Nguyen for your institution. As an associate professor at Hult International Business School, I met Minh as a student in May 2022 in one of my courses, Risk Management. During this period, I have gotten to know Minh better and I think he is a good candidate for your institution.

Minh performed well in the course we had together. He demonstrated strong quantitative, qualitative and reasoning skills. He showed enthusiasm towards the subjects discussed in the course and took the initiative to make sure his tasks and assignments are done well. He was timely and punctual and I was happy with his performance throughout the course. Based on his assignments and tests results, he finished the course with a strong B, standing among the top 25% of the students. His dedication to the courses and the effort he put into them was admirable in my view.

Apart from his skills as a student, I found Minh to be a pleasure to work with. He has a positive attitude, is a good team-member, and is friendly and polite in all his encounters. I am sure his personal skills and nice and approachable character, alongside his academic capabilities and hard work towards achieving his goals will assist him in his pursuit of success in academic and non-academic life.

Considering Minh 's interest in your institution, his capabilities and skills in academic and non-academic life and his previous track, I recommend him to your institution. Please do not hesitate to contact me if you require any further details with this regard.

Sincerely,

Hossein Khatami

Associate Professor of Finance and Accounting
